

Airhub

WALL MOUNTED AIR COMPRESSOR

Low noise wall mounted air compressor that provides a quick and easy solution for a variety of uses around the garage and home workshop.

In a compact, space-saving design the Airhub delivers 8bar of pressure to a 9mtr self-retracting hose reel, whilst the wall-mount bracket offers 180° rotation for added versatility.

Lightweight and easy to install, the AirHub is a convenient, multi-purpose compressed air solution.
